Claim Form Process & Instructions

Injury

When an individual has experienced an injury or an occupational disease in the workplace, it is important to give immediate notice to the employer about the injury. Employers are required to file a First Report of Injury (FROI) within ten (10) days of having knowledge of any injury.

Claim Form

Pursuant to Va. Code §65.2-601, a claim for specific benefits must be filed within two (2) years from the date of injury. Even if the Claim Administrator is voluntarily paying benefits, rights are not protected unless there is an Award Order.

Award Order

If the Claim Administrator accepts the claim, an Award Agreement is sent to the injured worker. Once signed by all parties, the Award Agreement must be filed with the Commission for entry of the Award Order. An Award Order protects the injured worker's rights to benefits.

Alternative Dispute Resolution (ADR)

Mediation is a voluntary and confidential informal dispute resolution process where a neutral third party (mediator) facilitates communication to assist the parties in mediating an agreeable solution. The purpose of mediation is to identify issues, clarify misunderstandings, explore solutions and mediate an agreement. For further information, contact the ADR Department at 804-205-3139.

Hearing

A hearing may be necessary to resolve disputed issues. A completed Claim Form and medical records* to support the claim must be filed for this to occur. The primary objective is to hear and decide disputed claims and issues arising under the Virginia Workers' Compensation Act in a prompt, fair and impartial manner.

*Medical Records & Subpoenas

Copies of medical records may be obtained from the physician. However, if copies of medical records and/or bills cannot be obtained, a subpoena can be requested by sending the name and address of the medical provider to the Clerk of the Commission. A $12 money order made payable to the Sheriff of the city or county where the medical provider is located must be included for each subpoena.

Benefits Covered under the Virginia Workers' Compensation Act

- **Lifetime Medical** - payment for medical treatment/expenses for the injury or occupational disease, now and in the future.
- **Temporary Total Disability -** wage loss replacement while completely out of work. Must be medically authorized.
- **Temporary Partial Disability -** wage loss replacement while partially out of work, or working light duty. Must be medically authorized.
- **Permanent Partial Disability -** compensation for loss of use of a body part, amputation, disfigurement/bodily scarring, loss of hearing, loss of vision or lung disease. Must be medically supported.
- **Medical Expenses -** payment/reimbursement of medical bills, or out of pocket expenses, such as prescription and mileage/transportation. Must provide bills, receipts and/or mileage logs.
- **Death Benefits -** payment/reimbursement of funeral/transportation expenses or wage loss replacement for surviving spouse, children, or certain other dependents. Death Certificate, Marriage License and/or Birth Certificate(s) must be provided.

FILING INSTRUCTIONS

(Instructions Updated 09/01/07)

Wage Chart
VWC Form No. 7A

The information at the top right of the form should be provided by the insurer. Please note that the insurer code refers to the five-digit numeric code assigned by The National Counsel on Compensation Insurance (NCCI). Self-insured employers are assigned a similar five-digit code number by the Virginia Workers' Compensation Commission.

Illegible forms will be returned to the insurer.

How to complete the Wage Chart:

- Indicate gross weekly earnings for the 52 weekly periods immediately **preceding** the date of accident.

- Note that these earnings are GROSS earnings and include overtime and tips, before any deductions are made for taxes or Social Security. If there were any perquisites, please list the TOTAL value separately at the bottom of the chart.

- If an injured employee lost more than seven consecutive calendar days, although not in the same week, these periods should be noted on the Wage Chart (VWC Form No. 7-A) using an asterisk in the Week No. column and are not to be counted in the calculations. Va. Code § 65.2-101.

- If injured employee has worked less than 12 months, the earnings for the time worked should be used. The earnings for a similar employee may be used if the employee has worked less than 60 days.

How to calculate the Wage Chart:

- If a full year's wage information **has been** provided covering the 52 week period prior to the date of accident:

  - determine the total wages earned, including yearly perquisites;
  - divide the total wages earned for this period by 52;
  - the sum will be the average weekly wage.

- If a full year's wage information **has not been** provided covering the 52 week period prior to the date of accident:

  - determine the total wages earned, including yearly perquisites;
  - divide the total wages earned by the number of weeks wages were earned (Note: if warranted, the weeks can be converted into days and calculated on that basis);
  - the sum will be the average weekly wage.

- If the form is completed on a **bi-weekly basis:**

  - determine the total wages earned, including yearly perquisites;
  - divide the total wages earned by the number of weeks worked (employee paid 26 times a year represents 52 weeks of wages);
  - the sum will be the average weekly wage.

- Samples of properly completed wage chart(s) are available through the Commission's Website at www.vwc.state.va.us under the forms menu.

- For questions or assistance with completing this form, please contact the Commission's Toll-Free number at (1-877) 664-2566.
