

Invitation to F&P's Complimentary Maryland Workers' Compensation Seminar

Agenda:

12:30-1:00pm: Registration

1:00-2:00pm: Welcome:

View from the Bench - Commissioner *Delia Schadt* will join us to explain the role of the Medical Director's office and will provide an update from the Commission.

2:00-5:00pm Concurrent Breakout Sessions:

Disorder in the Court! - Witness a mock workers' compensation hearing led by *Bert Randall*, featuring some of your favorite F&P'ers taking on new roles to illustrate some of the pitfalls of defending workers' compensation cases. We will take on such issues as notice, accidental injury, compensability and modified duty, while providing tips on investigating such issues for better results at hearing. At the conclusion, we will ask you to weigh in with your findings!

The Magic of Settlement: How to Make Claims Disappear - *Maija Jackson, Angela Kozlowski* and *Barb Thompson* will help you understand the who, what, where, how and why of settlement. They will cover such topics as when you should seek to settle a claim, what you will need to evaluate your claim, what to do when there is a third party claim/lien, and what the Commission requires to approve settlements. After all, the best claims are closed claims!

Are you Smarter than a 5th Grader? - Find out as F&P presents its version of the popular game show. Be prepared to share your knowledge as participants compete for semi-valuable prizes and bragging rights. *John Handscomb, John Archibald* and *Melissa Schantz* will host this session which will review a variety of workers' compensation issues and updates.
